Other Wells Fargo Benefits

This tax season, don't get scammed by an IRS impersonator.

Scammers are impersonating the Internal Revenue Service to steal your identity and convince you to send them money.

Know that the IRS will not:
- Initiate contact with you or request sensitive information by email, text, or social media.
- Demand immediate payment or offer to assist you with receiving a payment.
- Threaten to immediately have you arrested, deported, or revoke your driver's license for not paying.
- Ask you to pay your taxes using a gift or prepaid card, cryptocurrency, or wire transfer.

If you do get an unexpected call from the IRS, hang up right away, and do not provide any additional information, even if the caller already has the last four digits of your Social Security number.

Remember, if you do owe taxes, the IRS will contact you by mail before attempting to call you.

IMPORTANT ACCOUNT INFORMATION

Effective June 4, 2025, we are updating the following sections of the "Availability of Funds Policy" in our Deposit Account Agreement:
The "Longer delays may apply" section is deleted and replaced with the following:
In some cases, we will not make the first $400 of a business day's check deposits available to you on the day we receive the deposits. Further, in some cases, we will not make all the funds that you deposit by check available to you on the first business day after the day of your deposit.
Depending on the type of check that you deposit, funds may not be available until the second business day after the day of your deposit. The first $275 of your deposit, however, may be available on the first business day after the day of your deposit.
Except as otherwise explained in this paragraph, if we are not going to make all funds from your deposit available on the business day of deposit or the first business day after the day of deposit, we will notify you at the time you make your deposit. We will also tell you when the funds will be available. If your deposit is not made directly to a Wells Fargo employee, or if we decide to take this action after you have left the premises, we will mail you the notice by the first business day after we receive your deposit.
If you need the funds from a deposit right away, you should ask us when the funds will be available.
In addition, funds you deposit by check may be delayed for a longer period under the following circumstances:
- We believe a check you deposit will not be paid
- You deposit checks totaling more than $6,725 on any one day
- You redeposit a check that has been returned unpaid
- You have overdrawn your account repeatedly in the last six months
- There is an emergency, such as failure of computer or communications equipment

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. The funds will generally be available no later than the seventh business day after the day of your deposit.

The "Special rules for new accounts" section is deleted and replaced with the following:
If you are a new customer, the following special rules apply during the first 30 days your account is open. Incoming wire transfers, electronic direct deposits, and cash deposited at a teller window and at a Wells Fargo ATM will be available on the day we receive the deposit. Funds from your check deposits will be available on the business day after the day we receive the deposits; no funds from a business day's check deposits are available on the day we receive the deposits.
If we delay the availability of your deposit the following special rules may apply:
- The first $6,725 of a day's total deposits of cashier's, certified, teller's, traveler's, and federal, state, and local government checks, and U.S. Postal Service money orders made payable to you will be available on the first business day after the day of your deposit, if your deposit meets certain conditions. For example, the checks must be payable to you. If your deposit of these checks (other than U.S. Treasury checks) is not made in person to one of our employees, the first $6,725 may not be available until the second business day after the day of your deposit.
- The excess over $6,725 and funds from all other check deposits will be available no later than the seventh business day after the day of your deposit. The first $275 of a day's total deposit of funds from all other check deposits, however, may be available on the first business day after the day of your deposit.
We will notify you if we delay your ability to withdraw funds and we will tell you when the funds will be available.

Effective May 15, 2025, the section of the Deposit Account Agreement titled "Availability of Funds Policy," subsection "Your ability to withdraw funds," is deleted and replaced with the following:

Our policy is to make funds from your check deposits to your checking or savings account (in this policy, each account) available to you on the first business day after the day we receive your deposits. Incoming wire transfers, electronic direct deposits, cash deposited at a teller window and at a Wells Fargo ATM, and the first $400 of a day's check deposits at a teller window, at a Wells Fargo ATM, and with the Wells Fargo Mobile Banking app will be available on the day we receive the deposits. Certain electronic credit transfers, such as those through card networks or funds transfer systems, will generally be available on the day we receive the transfer. Once they are available, you can withdraw the funds in cash and we will use the funds to pay checks and other items presented for payment and applicable fees that you have incurred.

Effective May 15, 2025, the section of the Deposit Account Agreement titled "Fund Transfer Disclosures-General," subsection "ACH transactions," is deleted and replaced with the following:

These additional terms apply to payments to or from your account that you transmit through an ACH:
- Your rights as to payments to or from your account will be based on the laws governing your account.
- When we credit your account for an ACH payment, the payment is provisional until we receive final settlement through a Federal Reserve Bank or otherwise receive payment.
- If we don't receive final settlement or payment, we're entitled to a refund from you for the amount credited to your account and the sender of the payment will not be considered to have made the payment to you.
- For ACH debit entries that debit your non-Wells Fargo account and credit your Wells Fargo account, Wells Fargo Bank generally holds those funds for 3-4 business days to make sure that the funds will not be returned unpaid before we credit your Wells Fargo account. Longer holds may apply, or we may return the funds to the sending bank and not make the funds available to your Wells Fargo Account, if we - in our sole discretion - believe the transfer is irregular or suspicious.
- Any Originating Depository Financial Institution (ODFI) may initiate, pursuant to ACH Operating Rules, ACH debit entries to your account for presentment or re-presentment of items you write or authorize.

NEW YORK CITY CUSTOMERS ONLY -- Pursuant to New York City regulations, we request that you contact us at 1-800-TO WELLS (1-800-869-3557) to share your language preference.
