File early to help prevent someone else from filing taxes in your name. Find other tips at wellsfargo.com/spottaxscams.

Spot check fraud. Report it quickly.

If you write checks, make sure the person you sent it to actually receives and deposits it. Fraudsters target the mail and look for checks they can alter and deposit into their own accounts. They may keep the amount the same, so it's important to look at the check image and see if it has been changed. You can view checks online, or request check images by contacting us via phone or visiting a branch location. **Report check fraud as soon as you notice it.**
