Other Wells Fargo Benefits

Spot the latest tax scam

Scammers posing as a tax consulting service are calling claiming you owe back taxes or have missed filings. They urge you to call them back immediately to "resolve" your tax debt. They often insist this is your "only chance" to avoid penalties.

Red Flags
- Unexpected calls regarding a tax issue.
- Claims of notices sent that you never received.
- Messages saying press a number to "be removed," a common scammer tactic to confirm working phone numbers.

What to Do
- Let unknown callers go to voicemail.
- Do NOT call back or share personal information.
- If you have concerns, contact the IRS directly - never use the number left on a voicemail.
