Your Business and Wells Fargo

Thank you for being a loyal Wells Fargo customer. We value your trust in our company and look forward to continuing to serve you with your financial needs.

Other Wells Fargo Benefits

Be mindful of ongoing scams affecting older adults. Help protect yourself and loved ones from:

- Investment scams - the scammer makes friends with you on social media then offers to show you how to invest in crypto or another "money making" opportunity. Watch out for promises of big returns, suggestions to invest in crypto, or requests to wire money.
- Scam Callers Pretending to Be Tech Help - scammers pose as a computer technician, or you may get a pop-up window on your screen warning you about an issue with your device.

If you have a real tech issue: go to a local company that you know and trust. Be on the lookout for fake websites. Never trust someone who contacts you first or asks for access to your device. **If this happens to you, it's a scam.**
