WIRE FRAUD AND ELECTRONIC FUNDS TRANSFER ADVISORY

(C.A.R. Form WFA, Reviewed 6/25)

WIRE FRAUD AND ELECTRONIC FUNDS TRANSFERS ADVISORY:

The ability to communicate and conduct business electronically is a convenience and reality in nearly all parts of our lives. At the same time, it has provided hackers and scammers new opportunities for their criminal activity. Many businesses have been victimized and the real estate business is no exception.

While wiring or electronically transferring funds is a welcome convenience, we all need to exercise extreme caution. Emails attempting to induce fraudulent wire transfers have been received and have appeared to be legitimate. Reports indicate that some hackers have been able to intercept emailed transfer instructions, obtain account information and, by altering some of the data, redirect the funds to a different account. It also appears that some hackers were able to provide false phone numbers for verifying the wiring or funds transfer instructions. In those cases, the victim called the number provided to confirm the instructions, and then unwittingly authorized a transfer to somewhere or someone other than the intended recipient.

ACCORDINGLY, YOU ARE ADVISED:

1. **Obtain phone numbers and account numbers only from Escrow Officers, Property Managers, or Housing Providers at the beginning of the transaction.**
2. **DO NOT EVER WIRE OR ELECTRONICALLY TRANSFER FUNDS PRIOR TO CALLING TO CONFIRM THE TRANSFER INSTRUCTIONS. ONLY USE A PHONE NUMBER YOU WERE PROVIDED PREVIOUSLY. Do not use any different phone number or account number included in any emailed transfer instructions.**
3. **Orally confirm the transfer instruction is legitimate and confirm the bank routing number, account numbers and other codes before taking steps to transfer the funds.**
4. **Avoid sending personal information in emails or texts. Provide such information in person or over the telephone directly to the Escrow Officer, Property Manager, or Housing Provider.**
5. **Take steps to secure the system you are using with your email account. These steps include creating strong passwords, using secure WiFi, and not using free services.**

If you believe you have received questionable or suspicious wire or funds transfer instructions, immediately notify your bank, and the other party, and the Escrow Office, Housing Provider, or Property Manager. The sources below, as well as others, can also provide information:

NOTE: There are existing alternatives to electronic and wired fund transfers such as cashier's checks.

The term "Housing Provider" also includes Landlord or Rental Property Owner.

By signing below, Buyer/Tenant and Seller/Housing Provider acknowledge that each has received a copy of this Wire Fraud and Electronic Funds Transfer Advisory, and each has read and understands its terms.

CALIFORNIA CONSUMER PRIVACY ACT ADVISORY, DISCLOSURE AND NOTICE

(C.A.R. Form CCPA, Revised 12/22)

The California Consumer Privacy Act (commencing with Civil Code § 1798.100) ("CCPA"), as amended by California voters in 2020, grants to California residents certain rights in their private, personal information ("PI") that is collected by companies with whom they do business. Under the CCPA, PI is defined broadly to encompass non-public records information that could reasonably be linked directly or indirectly to you. PI could potentially include photographs of, or sales information about, your property.

During the process of buying and selling real estate your PI will be collected and likely shared with others, including real estate licensees, a Multiple Listing Service, real estate internet websites, service providers, lenders, and title and escrow companies, to name several possibilities. Businesses that are covered by the CCPA are required to grant you various rights in your PI, including the right to know what PI is collected, the right to know what PI is sold or shared and to whom, the right to request that the business correct or delete your PI, the right to "opt out" or stop the transfer of your PI to others, and the right to limit the use of certain PI which is considered "sensitive." You may get one or more notices regarding your CCPA rights from businesses you interact with in a real estate transaction. However, not all businesses that receive or share your PI are obligated to comply with the CCPA. Moreover, businesses that are otherwise covered under the CCPA may have a legal obligation to maintain PI, notwithstanding your instruction to the contrary. For instance, regardless of whether they are covered by CCPA, under California law, brokers and Multiple Listing Services are required to maintain their records for 3 years. If you wish to exercise your rights under CCPA, where applicable, you should contact the respective business directly.

You can obtain more information about the CCPA and your rights under the law from the State of California Department of Justice (oag.ca.gov/privacy/ccpa). Additionally, the California Privacy Protection Agency is authorized to promulgate regulations which may further clarify requirements of the CCPA (cppa.ca.gov/regulations/).

I/we acknowledge receipt of a copy of this California Consumer Privacy Act Advisory, Disclosure and Notice.

MARKET CONDITIONS ADVISORY

(C.A.R. Form MCA, Revised 6/24)

1. **MARKET CONDITIONS:** Real estate markets are cyclical and can change over time. It is impossible to predict future market conditions with accuracy. In a competitive or "hot" real estate market, there are generally more Buyers than Sellers. This will often lead to multiple buyers competing for the same property. As a result, in order to make their offers more attractive, some Buyers may offer more than originally planned or eliminate certain contingencies in their offers. In a less competitive or "cool" market there are generally more Sellers than Buyers, often causing real estate prices to level off or drop, sometimes precipitously. The sales price of homes being sold as foreclosures and short sales is difficult to anticipate and can affect the value of other homes in the area. Brokers, appraisers, Sellers and Buyers take these "distressed" property sales and listings into consideration when valuing property. In light of the real estate market's cyclical nature it is important that Buyers understand the potential for little or no appreciation in value, or an actual loss in value, of the property they purchase. This Advisory discusses some of the potential risks inherent in changing market conditions.
2. **BUYER CONSIDERATIONS:**
   A. **OFFERING PRICE:** AS A BUYER, YOU ARE RESPONSIBLE FOR DETERMINING THE PRICE YOU WANT TO OFFER FOR A PROPERTY. Although Brokers may provide you with comparable sales data, generally from information published in the local multiple listing service, you should know that the reporting of this data is often delayed and prices may change, up or down, faster than reported sales indicate. All buyers should be sure they are comfortable with the price they are offering or the price they are accepting in a counter offer. You should be aware of and think about the following: **(i)** If your offer is accepted, the property's value may not increase and may even decrease. **(ii)** If your offer is accepted, you may have "Buyer's remorse" that you paid too much. **(iii)** If your offer is rejected there can be no guarantee that you will find a similar property at the same price. **(iv)** If your offer is rejected, you may not be satisfied that the amount you offered was right for you. Only you can determine that your offer was reasonable and prudent in light of the property and your circumstances.
   B. **NON-CONTINGENT OFFERS:** Most residential purchase agreements contain contingencies allowing a Buyer within a specified period of time to cancel a purchase if: **(i)** the Buyer cannot obtain a loan; **(ii)** if the property does not appraise at a certain value ; **(iii)** if the Buyer is dissatisfied with the property's condition after an inspection; **(iv)** if an insurance policy cannot be obtained for an acceptable cost; or **(v)** for any other contingency within the purchase agreement. To make their offers more attractive, Buyers will sometimes write offers with few or no contingencies or offer to remove contingencies within a short period of time. In a "hot" market, sellers will sometimes insist that Buyers write offers with no contingencies. Broker recommends that Buyers do not write non-contingent offers and if you do so, you are acting against Broker's advice. However, if you do write a non-contingent offer these are some of the contractual rights you may be giving up:
      (1) **LOAN CONTINGENCY:** If you give up your loan contingency, and you cannot obtain a loan, whether through your fault or the fault of your lender, and as a result, you do not or cannot purchase the property, you may legally be in default under the contract and required to pay damages or forfeit your deposit to the seller.
      (2) **APPRAISAL CONTINGENCY:** If your lender's (or your own) appraiser does not believe the property is worth what you have agreed to pay for it, your lender may not loan the full amount needed for the purchase or may not loan any amount at all because of a low appraisal. As a result, if you do not purchase the property, and you have removed your appraisal contingency, you may legally be in default under the contract and could be required to pay damages to, or forfeit your deposit to, the Seller. The Seller is not obligated to reduce the purchase price to match the appraised value.
      (3) **INVESTIGATION CONTINGENCY:** If you disapprove of the condition of the property and as a result, you do not purchase the property, you may legally be in default under the contract and required to pay damages to, or forfeit your deposit to, the Seller if you have removed your investigation contingency. However, even if you make an offer without an investigation contingency or you remove that contingency, the Seller may still be obligated to disclose to you material facts about the property. In some cases, once you receive that information the law gives you an independent right to cancel for a limited period of time.

(4) **INSURANCE CONTINGENCY:** If you cannot obtain insurance or disapprove of the cost, and you do not purchase the property, you may legally be in default under the contract and required to pay damages to, or forfeit your deposit to, the Seller if you have removed your insurance contingency.

There is inherent risk in writing a non-contingent offer. Only you, after careful consultation and deliberation with your attorney, accountant, or financial advisor can decide how much risk you are willing to take. IT IS YOUR DECISION ALONE AND CANNOT BE MADE BY YOUR BROKER OR REAL ESTATE AGENT.

C. **BROKER RECOMMENDATIONS.** Broker recommends that you do not write a non-contingent offer, even if you are planning on paying all cash for the property. If you intend to write a non-contingent offer, Broker recommends that, prior to writing the offer, you: (i) review all available Seller reports, disclosures, information and documents; (ii) have an appropriate professional inspect the property (even if it is being sold "as is" in its present condition); and (iii) carefully assess your financial position and risk with your attorney, accountant or financial advisor.

D. **MULTIPLE OFFERS:** At times Buyers may write offers on more than one property even though the Buyer intends to purchase only one. This may occur in a short sale when the approval process can take a considerable amount of time, or it could also occur in a hot market when the Buyer is having difficulty getting an offer accepted. While it is not illegal to make offers on multiple properties with intent to purchase only one, the Buyer can be obligated to many Sellers if more than one accepts the Buyer's offers. Additionally, if any offer is accepted without contingencies, and the buyer does not perform, there can be a breach. If the Buyer has not disclosed that the Buyer is writing multiple offers with the intent to purchase only one and the Buyer subsequently cancels without using a contingency created for this purpose, the Seller may claim the Buyer is in breach of contract because the Buyer fraudulently induced the Seller to enter into a contract. This claim may even be possible when the Buyer has all the standard contingencies remaining in the contract, as the Seller could argue that a cancellation for this reason would not fall under the good faith exercise of any of those contingencies.

3. **SELLER CONSIDERATIONS:** As a Seller, you are responsible for determining the asking price for your property. Although Brokers may provide you with comparable sales data, generally from information published in the local multiple listing service, you should know that the reporting of this data is often delayed and prices may change, up or down, faster than reported sales indicate. All Sellers should be sure they are comfortable with the asking price they are setting and the price they are accepting. There is not, and cannot be, any guarantee that the price you decide to ask for your property, or the price at which you agree to sell your property is the highest available price obtainable for the property. It is solely your decision as to how much to ask for your property and at which price to sell your property.

Buyer/Seller acknowledges each has read, understands and has received a copy of this Market Conditions Advisory.

WATER HEATER AND SMOKE ALARM STATEMENT OF COMPLIANCE

(C.A.R. Form WHSD, Revised 12/23)

Property Address: *526 Houston Dr., Thousand Oaks, CA 91360*

NOTE: For use only for REO sales with Exempt Seller Disclosure (ESD). A seller who is not required to provide one of the following statements of compliance is not necessarily exempt from the obligation to provide the other statement of compliance.

WATER HEATER STATEMENT OF COMPLIANCE

1. **STATE LAW:** California Law requires that all new and replacement water heaters and existing residential water heaters be braced, anchored or strapped to resist falling or horizontal displacement due to earthquake motion. "Water heater" means any standard water heater with a capacity of no more than 120 gallons for which a pre-engineered strapping kit is readily available. (Health and Safety Code § 19211d). Although not specifically stated, the statute requiring a statement of compliance does not appear to apply to a properly installed and bolted tankless water heater for the following reasons: There is no tank that can overturn; Pre-engineered strapping kits for such devices are not readily available; and Bolting already exists that would help avoid displacement or breakage in the event of an earthquake.
2. **LOCAL REQUIREMENTS:** Some local ordinances impose more stringent water heater bracing, anchoring or strapping requirements than does California Law. Therefore, it is important to check with local city or county building and safety departments regarding the applicable water heater bracing, anchoring or strapping requirements for your property.
3. **TRANSFEROR'S WRITTEN STATEMENT:** California Health and Safety Code § 19211 requires the seller of any real property containing a water heater to certify, in writing, that the seller is in compliance with California State Law. If the Property is a manufactured or mobile home, Seller shall also file a required Statement with the Department of Housing and Community Development.
4. **CERTIFICATION:** Seller represents that the Property, as of the Close Of Escrow, will be in compliance with Health and Safety Code § 19211 by having the water heater(s) braced, anchored or strapped in place, in accordance with those requirements.

2. **LOCAL REQUIREMENTS:** Some local ordinances impose more stringent smoke alarm requirements than does California Law. Therefore, it is important to check with local city or county building and safety departments regarding the applicable smoke alarm requirements for your property.
3. **TRANSFEROR'S WRITTEN STATEMENT:** California Health and Safety Code § 13113.8(b) requires every transferor of any real property containing a single-family dwelling, whether the transfer is made by sale, exchange, or real property sales contract (installment sales contract), to deliver to the transferee a written statement indicating that the transferor is in compliance with California State Law concerning smoke alarms. If the Property is a manufactured or mobile home, Seller shall also file a required Statement with the Department of Housing and Community Development (HCD).
4. **EXCEPTIONS:** Generally, a written statement of smoke alarm compliance is not required for transactions for which the Seller is exempt from providing a transfer disclosure statement.
5. **CERTIFICATION:** Seller represents that the Property, as of the Close Of Escrow, will be in compliance with the law by having operable smoke alarm(s) **(i)** approved and listed by the State Fire Marshal installed in accordance with the State Fire Marshal's regulations Health and Safety Code § 13113.8 or **(ii)** in compliance with Manufactured Housing Construction and Safety Act (Health and Safety Code § 18029.6) located in each sleeping room for used manufactured or mobilehomes as required by HCD and **(iii)** in accordance with applicable local ordinance(s).

WATER-CONSERVING PLUMBING FIXTURES AND CARBON MONOXIDE DETECTOR ADVISORY

(C.A.R. Form WCMD, Revised 6/24)

1. **WATER-CONSERVING PLUMBING FIXTURES**
   A. **INSTALLATION:**
      (1) **Requirements:** California law (Civil Code §§ 1101.4 and 1101.5) requires all single-family residences, multi-family and commercial property built on or before January 1, 1994 to be equipped with water-conserving plumbing fixtures. Additionally, a residential and commercial property built on or before January 1, 1994 that is altered or improved is required to be equipped with water-conserving plumbing fixtures as a condition of final approval if the alteration or improvement increases floor area space by more than 10 percent, or has a cost greater than $150,000, or for any room in a building which requires a building permit.
      (2) **Exceptions:** These requirements do not apply to **(i)** registered historical sites, **(ii)** real property for which a licensed plumber certified that, due to the age or configuration of the property or its plumbing, installation of water-conserving plumbing fixtures is not technically feasible, or **(iii)** a building for which water service is permanently disconnected. Additionally, there is a one-year exemption for any building slated for demolition, and any city or county that has adopted a retrofit requirement prior to 2009 is itself exempt. (Civil Code §§1101.6, 1101.7, and 1101.9.)
   B. **Disclosure of Water-Conserving Plumbing Fixtures:** Although the installation of water-conserving plumbing fixtures is not a point-of-sale requirement, California Civil Code §§ 1101.4 (single family properties beginning 2017) and 1101.5 (multifamily and commercial properties beginning 2019) require the seller to disclose to the buyer the requirements concerning water- conserving plumbing fixtures and whether the property contains any noncompliant water fixtures.
   C. **Noncompliant Water Fixtures:** Noncompliant water fixtures are any of the following: **(i)** any toilet manufactured to use more than 1.6 gallons of water per flush, **(ii)** any urinal manufactured to use more than one gallon of water per flush, **(iii)** any showerhead manufactured to have a flow capacity of more than 2.5 gallons of water per minute, **(iv)** any interior faucet that emits more than 2.2 gallons of water per minute. (Civil Code § 1101.3.) Buyer and Seller are each advised to consult with their own home inspector or contractor to determine if any water fixture is noncompliant. Buyer is advised to investigate the cost to bring any noncompliant water fixtures into compliance before removing the investigation contingency.
2. **CARBON MONOXIDE DETECTORS:**
   A. **INSTALLATION:**
      (1) **Requirements:** As of January 1, 2013, California law (Health and Safety Code §§ 13260 to 13263 and 17926 to 17926.2) has required the following types of dwelling units intended for human occupancy have carbon monoxide detectors installed: single-family dwellings, duplex, lodging house, dormitory, hotel, condominium, time-share and apartment, among others.
      (2) **Exceptions:** The law does not apply to a dwelling unit which does not have any of the following: a fossil fuel burning heater or appliance, a fireplace, or an attached garage. The law does not apply to dwelling units owned or leased by the State of California, the Regents of the University of California or local government agencies. Aside from these three owner types, there are **no other owner exemptions** from the installation requirement; it applies to all owners of dwellings, be they individual banks, corporations, or other entities. There is no exemption for REO properties.
   B. **DISCLOSURE OF CARBON MONOXIDE DETECTORS:** The Health and Safety Code does not require a disclosure regarding the existence of carbon monoxide detectors in a dwelling. However, a seller of residential 1-4 property who is required to complete a Real Estate Transfer Disclosure Statement, (C.A.R. Form TDS) or a Manufactured Home and Mobilehome Transfer Disclosure Statement (C.A.R. Form MHTDS) must use section II A of that form to disclose whether or not the dwelling unit has a carbon monoxide detector.
   C. **COMPLIANCE WITH INSTALLATION REQUIREMENT:** State building code requires at a minimum, placement of carbon monoxide detectors in applicable properties outside of each sleeping area, and on each floor in a multi-level dwelling but additional or different requirements may apply depending on local building standards and manufacturer instructions. An owner who fails to install a carbon monoxide detector when required by law and continues to fail to install the detector after being given notice by a governmental agency could be liable for a fine for each violation. A transfer of a property where a seller, as an owner, has not installed carbon monoxide detectors, when required to do so by law, will not be invalidated, but the seller/owner could be subject to damages, plus court costs and attorney fees. Buyer and Seller are each advised to consult with their own home inspector, contractor or building department to determine the exact location for installation of carbon monoxide detectors. Buyer is advised to consult with a professional of Buyer's choosing to determine whether the property has carbon monoxide detector(s) installed as required by law, and if not to discuss with their counsel the potential consequences.
3. **LOCAL REQUIREMENTS:** Some localities maintain their own retrofit or point of sale requirements which may include the requirement that water-conserving plumbing fixtures and/or a carbon monoxide detector be installed prior to a transfer of property. SQUARE FOOTAGE AND LOT SIZE ADVISORY AND DISCLOSURE

(C.A.R. Form SFLS, Revised 12/24)

Property Address: 526 Houston Dr., Thousand Oaks, CA 91360 ("Property")

1. **DIFFERENT SOURCES OF SQUARE FOOTAGE MEASUREMENTS:** Measurements of structures vary from source to source and that data is often contradictory. There is no one "official" size source or a "standard" method of calculating exterior structural size, interior space or square footage. Buyer should not rely on any advertised or disclosed square footage measurements and should retain their own experts to measure, as applicable, structure size and square footage during their investigation period, if any. This is especially important if Buyer is using square footage to determine whether to purchase the Property or are using a price per square foot to determine purchase price. Price per square foot calculations are generally broad estimates only, which can vary greatly depending upon property location, type of property and amenities. Such calculations should not be relied upon by Buyer and the accuracy of any such figures should be independently verified by Buyer with their own experts including, but not limited to, a licensed appraiser.
2. **PROPERTY (LOT) SIZE, DIMENSIONS, CONFIGURATIONS, AND BOUNDARIES:** Fences, hedges, walls, retaining walls, and other barriers or markers may not correspond with any legally-defined property boundaries. Existing structures or amenities may not be located within the actual property boundaries or local setback requirements. If lot size, dimensions, property configurations, boundary lines, and locations of improvements are important to Buyer's decision to purchase or the price Buyer is willing to pay, then Buyer should independently investigate by retaining the services of a licensed surveyor, the only professional who can accurately determine lot dimensions, boundary locations and acreage for the Property.
3. **BROKER OBLIGATIONS:** Brokers and Agents do not have expertise in determining the exact square footage and lot size. Broker has not and will not verify the accuracy of any numerical statements regarding square footage, room dimensions, or lot size, or the location of boundaries.
4. **DISCLOSURE OF MEASUREMENTS AND SOURCES: Square footage and/or lot size numbers inserted into the spaces below, if any, were taken from the referenced source and may be approximations only. Other measurement sizes may exist from other sources.**

BROKER COMPENSATION ADVISORY

(C.A.R. Form BCA, Revised 6/25)

1. **WHEN SELLERS LIST THEIR PROPERTY FOR SALE THROUGH A REAL ESTATE BROKER THEY AGREE TO PAY THE SELLER'S BROKER WHEN ESCROW CLOSES.**

   A. **LISTING AGREEMENT COMPENSATION IS FULLY NEGOTIABLE:** When a seller enters into a listing agreement with a broker, the seller authorizes the broker to find a buyer for the seller's property and agrees to pay the seller's broker if a buyer is found who purchases the property. Compensation amounts are not fixed by law and are fully negotiable between the seller and the seller's broker. When negotiating compensation, the parties may discuss factors such as the broker's expertise and experience, the type of broker services to be performed, and the broker's time and expenses, among other considerations.

   B. **OPTIONAL ADDITIONAL COMPENSATION IF BUYER IS UNREPRESENTED:** A listing agreement may include optional additional compensation amounts owed to the seller's broker for situations where the broker takes on additional responsibilities or workload. Sometimes a buyer may not be working with nor want to be represented by a real estate broker. When that happens, the seller's broker is not required to represent the buyer, and the seller and seller's broker may decide that they do not want to create such a relationship. In those situations, the seller's broker is advised to use a Buyer Non-Agency (C.A.R. Form BNA) to inform the buyer that the seller's broker will be acting on behalf of the seller only, and not act as the buyer's agent, throughout the transaction. However, because the buyer is unrepresented, the seller's agent will inevitably have to do more work to facilitate the transaction. A seller may agree to compensate their broker for the additional work in such cases.

   C. **BROKER MAY REPRESENT BOTH BUYER AND SELLER; DUAL AGENCY:** California law allows a brokerage company to represent both seller and buyer in a real estate transaction. At the time the agent, on behalf of a brokerage, obtains the signature of a seller on a listing agreement, the agent will not, in most cases, know who the eventual buyer will be for a seller's property. Similarly, at the time an agent, on behalf of a brokerage, obtains the signature of a buyer on a buyer representation agreement, the agent will not, in most cases, know who the eventual seller will be for a property the buyer wants to buy. Because many individual licensees may work through one brokerage company, and some individual licensees work with many buyers and sellers, there is a possibility that the same brokerage company will represent both buyer and seller in a transaction. If licensees working through broker represent both seller and buyer, broker is allowed to receive compensation from each, provided the seller and buyer are advised of the relationship and the total amount of compensation the broker will receive.

2. **BROKER AGREEMENTS WITH BUYERS:**

   A. **BUYER REPRESENTATION COMPENSATION IS FULLY NEGOTIABLE:** When a buyer enters into a representation agreement with a broker, the buyer authorizes the broker to locate properties for the buyer to buy and agrees to pay the buyer's broker if a transaction is completed. Compensation amounts are not fixed by law and are fully negotiable. When negotiating compensation, the parties may discuss factors such as the broker's expertise and experience, the type of broker services to be performed, and the broker's time and expenses, among other considerations.

   B. **REQUIREMENT FOR WRITTEN AGREEMENTS:** Pursuant to a nationwide class action settlement reached by the National Association of REALTORS® (NAR), participants in Multiple Listing Services are required to have a written agreement with a buyer prior to showing a buyer a residential property or giving a buyer a tour of such a property. The agreement must identify the amount of compensation to be paid to the broker for services provided and require that the broker cannot receive any compensation in excess of the amount specified in the agreement. Pursuant to a January 1, 2025 new law in California, all licensees must have a buyer representation agreement as soon as practicable upon acting as the buyer's agent, and it must include the amount of compensation, services to be rendered, when compensation is due, and the contract termination, which may not exceed three months.

   C. **ADVANTAGES OF WRITTEN AGREEMENTS:** Buyers and their brokers benefit when the terms of their relationship and respective duties are in writing. A written agreement establishes clear, mutual expectations and helps avoid misunderstandings over the buyer and broker's duties and the amount of compensation the buyer's agent is to be paid.

3. **WHEN ENLISTING A REAL ESTATE BROKER TO REPRESENT THEM, BUYERS AGREE TO PAY THE BUYER'S BROKER WHEN ESCROW CLOSES, BUT THE PERSON RESPONSIBLE FOR PAYMENT MAY BE NEGOTIATED IN THE TRANSACTION:**

A. **BUYER PAYS THE COMPENSATION PURSUANT TO A BUYER REPRESENTATION AGREEMENT:** A buyer's broker may negotiate the amount of compensation directly with the Buyer and then document that agreement in a buyer representation agreement (C.A.R. Form BRBC or PSRA). The buyer then becomes contractually obligated to pay the broker by providing funds to escrow prior to the closing of a transaction.

B. **SELLER PAYS THE COMPENSATION:**

(1) **Buyer negotiates for Seller to Compensate Buyer's Broker:** A buyer may make a conditional offer to the seller by including a term in the purchase offer asking the seller to pay the buyer's broker if the buyer has already agreed to pay their own broker pursuant to a buyer representation agreement. If such a term is included in the purchase offer, the request will become one term among many that a seller may accept, reject, or negotiate by way of a counter offer. The possibility of asking the seller to pay the buyer's contractual compensation obligation option should be discussed when creating a buyer representation agreement and prior to an offer being made. Pursuant to the NAR Settlement (see **paragraph 2B**) **a buyer's broker is not permitted to receive compensation for services, from whatever source, that is greater than the amount in the buyer representation agreement**.

(2) **Buyer's Agent negotiates an agreement directly with Seller:** If a seller is unrepresented or does not have an exclusive agency relationship with another broker, a buyer's broker may approach that seller asking the seller to sign an agreement (C.A.R. Form SP, Single Party Compensation Agreement) to pay the buyer's broker. In this situation, the seller agrees to pay the buyer's broker compensation without necessarily creating an agency relationship with the broker. When that happens, the buyer's broker is advised to use a Seller Non-Agency (C.A.R. Form SNA) to inform the seller that the buyer's broker will be acting on behalf of the buyer only, and not act as the seller's agent, throughout the transaction. However, because the seller is unrepresented, the buyer's agent will inevitably have to do more work to facilitate the transaction, which may be factored into the negotiation of the single party compensation agreement.

C. **CHANGING PRACTICE RELATED TO A SELLER'S BROKER'S OFFER OF COMPENSATION:**

Historically, in California, many seller's brokers used a Multiple Listing Service (MLS) to make a unilateral offer to compensate a buyer's broker who procured a buyer for the seller's property. However, the nationwide NAR settlement prohibits the seller's broker from using an MLS to make such an offer of compensation. The California Association of REALTORS®' (C.A.R.) listing agreement forms no longer provide for such offers of cooperating broker compensation nor does C.A.R. include other forms in its library of forms that might facilitate such offers. Buyers and sellers must separately negotiate compensation with their respective brokers, as specified above.

By signing below, Seller or Buyer acknowledge that they have received a copy of this Broker Compensation Advisory, and they have read and understand its terms. Seller or Buyer acknowledges they have been advised of their various options regarding compensation to be paid to real estate brokers and that any written agreement they have signed with a seller's or buyer's broker reflects a mutual understanding.
