REVOLVING LOAN AND OFFICER ADVANCE AGREEMENT

(Amending, Restating, and Consolidating the March 6, 2025 Loan Agreement)

This Revolving Loan and Officer Advance Agreement ("Agreement") is made and entered into as of June 30, 2026 (the "Effective Date"), by and between:

1. Lender: Arize Nwosu (also referred to in prior records as "Arizechukwu Nwosu" — the parties confirm this is the same individual), an individual with an address at 32001 Royceton Ct., Westlake Village, CA 91361 ("Lender"); and

2. Borrower: SPLT INC., a corporation duly incorporated and existing under the laws of Delaware, with its principal place of business at 741G Lakefield Road, Westlake Village, CA 91361 ("Borrower").

(each a "Party" and together the "Parties").

1. RECITALS AND PURPOSE

1.1 On March 6, 2025, Lender and Borrower entered into a Loan Agreement under which Lender advanced Borrower the principal sum of $20,000.00 (the "Original Loan"), secured by inventory valued at $30,000.00.

1.2 Following the Original Loan, Lender made a series of additional informal advances to Borrower for operating expenses (inventory, rent, credit card payments, samples, import costs, and similar business needs), and Borrower made a series of repayments to Lender, all as reflected in Borrower's business checking account records.

1.3 The Parties enter into this Agreement to (a) consolidate the Original Loan and all subsequent advances and repayments into a single governing agreement, (b) confirm the parties' mutual understanding of amounts advanced, repaid, and currently outstanding, and (c) establish consistent terms governing all future advances and repayments between them. This Agreement supersedes the March 6, 2025 Loan Agreement as to all terms other than the security interest described in Section 4, which continues uninterrupted.

1.4 Exhibit A (Running Ledger) sets out each advance and repayment to date and is incorporated into this Agreement. The Parties acknowledge and agree that Exhibit A accurately reflects the transaction history between them as of the Effective Date.

2. LOAN TERMS

2.1 Revolving Structure: This is a revolving line of credit, not a single fixed-sum loan. Lender may, in Lender's sole discretion, make additional advances to Borrower from time to time. Borrower may make repayments at any time. The amount outstanding at any time is the cumulative balance of all advances less all repayments, as tracked in the running ledger (Exhibit A, to be updated by mutual written acknowledgment as further advances and repayments occur).

2.2 Outstanding Balance as of Effective Date: As reflected in Exhibit A, total advances to date are $66,587.00 (inclusive of the $20,000.00 Original Loan principal), and total repayments to date are $52,708.00, leaving a principal balance of $13,879.00 owed by Borrower to Lender as of the Effective Date.

2.3 Interest Rate: Each advance shall bear interest at a rate of 5% per annum, simple interest, calculated from the date of that advance on the then-outstanding portion of that advance until repaid. Interest on amounts advanced prior to the Effective Date that remain outstanding shall begin accruing under this Agreement as of the Effective Date, without retroactive compounding.

2.4 Maturity: All outstanding principal and accrued interest shall be due and payable on demand by Lender, or, absent demand, no later than June 30, 2027 (the “Maturity Date”).

2.5 Repayment: Borrower may repay any portion of the outstanding balance at any time without penalty. Repayments shall be applied first to accrued interest, then to outstanding principal, in the order the underlying advances were made (oldest first), unless the Parties agree otherwise in writing for a specific repayment.

2.6 Future Advances and Repayments: Each future advance or repayment shall be recorded as an addendum to Exhibit A, dated and acknowledged in writing (including by email) by both Parties, and shall be deemed part of this Agreement upon such acknowledgment.

2.7 SBA EIDL Payments as Directed Repayment: The Parties acknowledge that an Economic Injury Disaster Loan (“EIDL”) issued by the U.S. Small Business Administration is an obligation of Social Gear Media LLC, an entity owned and controlled by Lender, and not an obligation of Borrower. Borrower has, at Lender's direction, made periodic payments directly to the SBA on that EIDL obligation using funds that would otherwise have been paid to Lender under this Agreement. The Parties agree that each such payment constitutes a repayment by Borrower to Lender under this Agreement, in the amount paid, as if Borrower had paid that amount directly to Lender and Lender had then independently applied it to the Social Gear Media LLC EIDL obligation. Each such payment is recorded as a repayment in Exhibit A and reduces the outstanding balance owed by Borrower to Lender accordingly. This characterization does not create any obligation of Borrower to the SBA, does not make Borrower a co-obligor or guarantor on the Social Gear Media LLC EIDL loan, and shall not be construed as such by either Party or by any third party.

3. SECURITY

As collateral for all amounts owing under this Agreement (including the Original Loan and all subsequent advances), Borrower agrees to provide and maintain inventory totaling no less than Thirty Thousand Dollars ($30,000.00) in value. Lender shall have a continuing security interest in this inventory until all amounts owing under this Agreement are fully repaid. This security interest is a continuation of, and not in addition to, the security interest granted under the Original Loan.

4. DEFAULT

4.1 Events of Default: Borrower shall be considered in default if: (a) any outstanding balance is not repaid in full within 90 days of demand or, absent demand, within 90 days of the Maturity Date; (b) Borrower becomes insolvent or declares bankruptcy; or (c) Borrower fails to comply with any material term of this Agreement.

4.2 Remedies: If Borrower defaults, Lender may declare the entire unpaid principal and accrued interest immediately due and payable and take possession of the pledged collateral described in Section 3.

5. REPRESENTATIONS AND WARRANTIES

Borrower represents and warrants that: (a) it is a duly organized and validly existing corporation in good standing under the laws of Delaware; (b) it has the authority to enter into this Agreement; and (c) all advances under this Agreement have been and will be used solely for business purposes.

6. MISCELLANEOUS

6.1 Governing Law: This Agreement shall be governed by and construed in accordance with the laws of the State of Delaware.

6.2 Amendments: Any modifications to this Agreement, including updates to Exhibit A reflecting new advances or repayments, must be made in writing and acknowledged by both Parties.

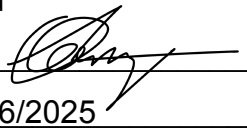

6.3 Entire Agreement: This Agreement, together with Exhibit A, constitutes the entire agreement between the Parties regarding the subject matter herein and supersedes the March 6, 2025 Loan Agreement, except that the security interest described in Section 3 is a continuation of (not a replacement for) the security interest originally granted on March 6, 2025.

6.4 Related-Party Transaction: The Parties acknowledge that Lender is an officer (CEO) of Borrower, and that this Agreement constitutes a related-party transaction. Borrower confirms this Agreement has been approved in accordance with Borrower’s governing documents and applicable law.

IN WITNESS WHEREOF, the Parties hereto have executed this Agreement as of the Effective Date.
