Other Wells Fargo Benefits

It's Cybersecurity Awareness Month.

In today's digital world, scammers are using advanced tools like AI to make impersonation scams harder to detect. Caller ID can be spoofed, emails can be faked, voices can be cloned, and images can be altered.

Imposters may contact you with messages that:
- Are unexpected.
- Appear to be from a legitimate source but could be spoofed.
- Claim to be urgent, asking you to act right away, without thinking.
- Use language that manipulates your emotions.
- Request payment through unusually specific methods like gift cards, cryptocurrency or payment apps.

If you have any doubts about a message, call the company or government agency directly to find out if there really is a problem.

And if they're impersonating Wells Fargo, don't engage. Instead, call us right away or you can always check your account in the Wells Fargo Mobile® app* or in online banking.

IMPORTANT ACCOUNT INFORMATION

After November 19, 2025, Wells Fargo will no longer offer the option to establish new overdraft protection linkages from a home equity line of credit to deposit accounts. If there is a home equity line of credit account that is currently providing overdraft protection for your checking account, it will be delinked from overdraft protection on February 9, 2026. Unless your checking account is linked to another overdraft protection source, you will lose overdraft protection on or after February 9, 2026. Your home equity line of credit account is not being closed or changed and as long as you have available credit, you can continue to make credit advances in other ways such as access checks (if applicable), online, visiting a branch and by phone. Call us anytime for additional details at 1-800-TO-WELLS (1-800-869-3557) or visit your local branch.

NEW YORK CITY CUSTOMERS ONLY -- Pursuant to New York City regulations, we request that you contact us at 1-800-TO WELLS (1-800-869-3557) to share your language preference.
